

Leuva Patidar Samaj

The objective of the LPS of USA a non-profit organization is to foster an environment that enhances unity and provide a platform for generations to preserve its religion, culture, and heritage thru fellowship, education, and communication.

The LPS of USA will achieve its goals through the social forums and networking within its membership by educating and communicating over a multi-term plan.

What's up with LPS??

LPS BOD's and Reps along with the help of local volunteers are dedicating their time at their own expense towards a successful networking for our current and future generation as well as building a ***Vibrant Community!***

How are we doing this?

Strategic Planning guided the volunteers into 8 teams with a list of task to complete...

- Communication
- Education
- Area Representative
- By-laws
- Financial
- Membership
- Regional and Town Hall
- Management

Additionally, A youth team is in the works for our upcoming Youth Event...Volunteers needed!!!!

Revised: 7-01-2008 (Lina Patel)
